

YMCA OF WEST CENTRAL FLORIDA Updated Membership COVID Waiver

As we reopen our YMCA facilities it is important that we all play a role in the health and safety of others as well as ourselves. Therefore, we are asking all members to adhere to the following precautions.

Members and program participants will need to sign a new waiver as an addendum to your Member Code of Conduct. This waiver clarifies the risks but supports the efforts to mitigate the spread of infectious disease by following the recommendations below.

Following CDC guidelines, we encourage everyone to:

1. Wear a face covering your mouth and nose while in our facilities.
2. Wash hands and/or use hand sanitizing stations.
3. Maintain appropriate social distancing of 6 ft or more between you and others.
4. Clean all equipment before and after use - staff will also be doing this as well
5. Bring a water bottle from home rather than use water fountains.

Most importantly if you are not feeling well, have a fever, cough, shortness of breath, head or muscle aches, new loss of smell or have been in contact with anyone diagnosed with COVID-19 that you not come to the YMCA until you have been cleared of any infectious disease.
