DISCIPLINE POLICY

1. Age appropriate, constructive disciplinary practices are used with all children in care. Which may include discussion with all children about appropriate behavior, removal from activity for a "cool down" period, discipline form, Character Development form, or contract completed by staff, consultation with parent/guardian to seek answers or understanding of behavior concerns, and/or suspension or termination from program.
2. Children are not subjected to discipline that is severe or frightening.
3. Discipline is not associated with food, rest, or toileting.
4. Spanking, or any other form of physical punishment, is prohibited.

At the discretion of the Director, and after a reasonable effort on the part of the program staff to integrate a child into the program, a child participation may be terminated if the child is determined to be chronically disruptive or a danger to themselves, others, or to the functioning of the program. Communication between staff and parents is encouraged.
