## CONSTRUCTION UPDATE

As Phase 1 concludes, we're thrilled to begin Phase 2, featuring the highly anticipated Fieldhouse. Included in our new Fieldhouse will be:

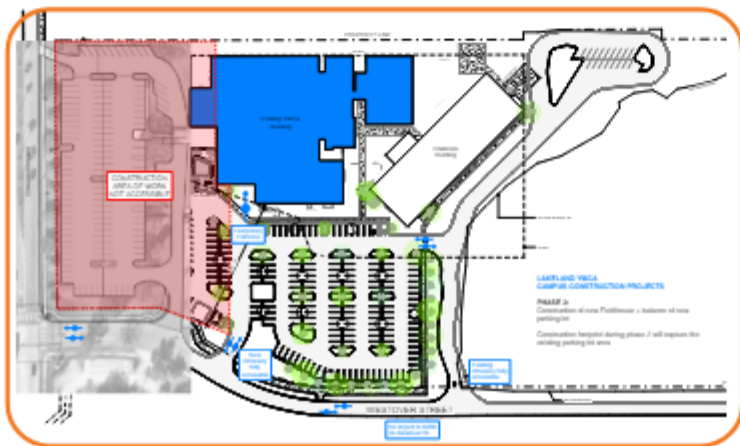

1. An expanded weight room
2. Two basketball courts
3. Two indoor soccer fields
4. A second-story cardio space complete with a dedicated track

Plus, we've addressed the need for more parking, ensuring added convenience for all!

Our entrance will be relocated during Phase 2. A temporary front desk will be in place to help you.

The Fieldhouse construction is slated to last approximately 1.5 years, making this adjustment long-term. Keep an eye on our website and social media channels for updates.

We extend our heartfelt thanks for your unwavering support as we continue to evolve together!
